

P/T Fire Subcode Official/Inspector

Candidate must be adept at administering and enforcing the provisions of the New Jersey Uniform Construction Code, Fire Subcode section, for plan review and field inspections in new and existing buildings and to assure code compliance and public safety and do related work as required. Must possess a firm understanding of how the position is integrated with the overall construction process and be able to communicate and cooperate with homeowners, contractors, and design professionals. Should be willing and able to work harmoniously with other municipal employees and have respect for the needs of others. Shall be a diligent, detail-oriented, self-motivated worker unafraid to ask questions when unsure of a code issue or position related to one. Township vehicle is provided for inspections. Competitive hourly rate is offered. Resume and cover letter to vtamburri@bedminster.us by April 19, 2025.
